

DESCRIPTION:

Pendeli Resort reopens in July 2025, following the complete transformation of a cherished landmark nestled in Cyprus' Troodos Mountains. This iconic mountain retreat enters a new era, where heritage meets high design. Honouring its architectural legacy while embracing elevated luxury, Pendeli Resort seamlessly blends tradition with innovation.

At the heart of its revival lies a deep appreciation for natural materials such as stone, wood, and marble evoking an organic elegance throughout the resort. Pendeli's rebirth is more than a renovation - it's a statement of timeless mountain hospitality reimaged.

Pendeli Resort offers flexible accommodation packages, including Bed & Breakfast, Half Board, or Full Board terms. Designed to welcome a diverse range of guests, the resort caters to families, couples, solo travellers, groups of friends, adventure and wellness seekers, sports teams, corporate groups, and special interest travellers.
